

Please would you pass on
my thanks to Neil and the
Chaps who did the actual
move.

Neil said that there was an
online evaluation form that
I could fill in but I am
afraid that that is something
that I can't do.

Dear Richard,

I rather a belated
letter I'm afraid but wanted
to thank you and your staff
for all the hard work that
you put in selling my house
in Hook Rd. I was really
impressed by the professionalism
shown at all times.

Also I cannot praise highly
enough your removal company,
who were wonderful, really
helpful and professional
and friendly, not a single thing
damaged. All in all Personal
Agent is someone I would highly
recommend,

Thanks again
