Garden House Hospice

Situated in Letchworth, the Garden House Hospice was opened in June 1990 and serves the communities of Baldock, Hitchin, Letchworth, Royston, Stevenage and the surrounding villages.

Garden House is a registered charity offering hospice care and support services to patients in the community with a life limiting illness.

The aim of all those who work at the Hospice is to:-

- improve the patients' quality of life, by controlling symptoms such as pain;
- help patients to live their lives with dignity, by bringing together the emotional and physical aspects of care;
- provide care in a variety of settings, appropriate to the individual needs of each patient;
- offer support to families both during a patient's illness and into bereavement.

Garden House Hospice is a member of the Hospice Lotteries Association. Both organisations are committed to using lotteries to fundraise in a responsible way, encourage responsible gambling and access support if needed. Further information concerning gambling difficulties, self exclusion or complaints related to Garden House Hospice Lottery can be found within our Hospice Lottery Terms and Conditions on The Hospice Lottery website: www.ghhospice.co.uk
