

Do you, Samuel Pepys, take this wedding party and promise to dress them perfectly?

We do.

Suit and boot out the men in your wedding party in **one visit**.

Choose **suits** from our Ermenegildo Zegna and Chester Barrie **made-to-measure** collections for that special one-off, or from our **off-the-peg** collection by Ted Baker, Hugo Boss and Paul Smith. For your **shirts** our Hugo Boss and Eton range is vast. Complete the outfit with stylish **shoes** by Oliver Sweeney and Jeffery West.

Arrange an **out of hours private appointment** for your party if you wish, simply call us and we'll organise it.
