FUNDED TRAINING

Skills for Life qualifications to improve Maths and English.

Apprenticeships and Advanced Apprenticeships for both existing and new employees aged 16 years plus (including Adult Apprenticeships).

Changes to First Aid Accreditation

The First Aid Industry Body (FAIB) was founded in June 2012. The aim of FAIB is to ensure that the standards required of First Aid at Work First Aid Training Providers remains at the highest possible level after the withdrawal of approvals from the Health & Safety Executive (HSE) in October 2013. This ultimately will ensure that work place first aiders know how to deal calmly, confidently and appropriately with any first aid situation arising in the workplace.

Alliance Learning can also put together a bespoke training course to meet your business requirements.

For more information please contact us on **01204 696 744** or email **info@alliancelearning.com**

Further courses and dates are available upon request. Training is also available on customer premises, subject to site approval. Room hire is available upon request at competitive rates. **Exempt from membership discount. This schedule is accurate at the time of going to print. Content may be subject to amendment and we reserve the right to cancel or change advertised courses and other information. All prices are listed exclusive of VAT.

Alliance Learning & Victor Technologies™ join forces

Alliance Learning has formed an on-going partnership with Victor Technologies, the global leader in gas equipment. Alliance Learning is the only training provider in the UK to have secured this partnership directly with Victor Technologies, representing a truly exciting time in the company's history.

Victor Technologies is a global manufacturer dedicated to developing innovative solutions for cutting, gas control and specialty welding applications. Their brands include: Victor®, Victor® Thermal Dynamics®, Thermal Arc®, Tweco®, Victor® Arcair®, Victor® TurboTorch® and Stoodly®.

As part of this on-going collaboration, Victor Technologies has supplied Alliance Learning with a full range of new equipment across all requirements, which includes:

- New Tweco Fusion MIG torches
- New UK specification gas equipment launched in March 2013.
- Thermal Arc industrial welding machines

Victor Technologies also has recently provided Alliance Learning with three state-of-the-art welding machines, allowing current apprentices to learn their skills on industry leading equipment and in turn use their newfound skills and knowledge to benefit the engineering companies for whom they work.

Alliance Learning currently has over 150 Apprentices on their system that have been assessed and are ready to undertake an Apprenticeship. If an Apprentice sounds like the next step for your business please get in touch with our recruitment team who will be more than happy to discuss this and find the right candidate to meet the needs of your business.

For more information on any of the above please contact our Apprenticeship Recruitment Team on:

01204 677 888

e-mail info@alliancelearning.com
or visit www.alliancelearning.com

VICTOR

TECHNOLOGIES™

Alliance Learning, delivering quality Apprenticeships in:

- Business Administration /Customer Service
- Childcare
- Health & Social Care
- Engineering

Did you know these facts on Apprenticeships?

- 81% of consumers favour using a company which takes on apprentices.
- Over 80% of those employers who employ Apprentices agree they make their workplace more productive.
- 92% of employers who employ apprentices believe that Apprenticeships lead to a more motivated and satisfied workforce.
- 83% of employers who employ apprentices rely on their Apprenticeship programme to provide the skilled workers that they need for the future.

Spotlight on Funded Training

Funding available for ILM Certificate in Leadership and Team Skills Level 2

European Social Funds allow Alliance Learning to offer this course normally priced at £850 (+VAT) for FREE* to companies in the Greater Manchester area.

This course is appropriate for those that require the underpinning knowledge of management techniques.

Course Aim: To give practising or potential team and cell leaders the foundation for their formal development in this role by developing a wide range of team leading skills and assisting participants in gaining the comprehensive knowledge required by team leader.

The course will run at our Horwich Centre 1 day per week over 10 weeks 9.00am - 4.00pm (start date - TBC)

ELIGIBILITY*

- Individuals must be 19+
- Be in employment/self employed
- Company employ no more 250 employees
- Individuals mustn't have other prior level 2 qualification
- Funding is for companies within the Greater Manchester area
- Individuals must reside within the UK (for a minimum of 3 years)

(Candidates will need to undertake an initial assessment with a member of staff from Alliance Learning prior to start of course).

Funded Training also available in:

- Childcare
 - Engineering
 - Health & Social Care
 - IT
- (subject to eligibility)
