BREWERY RIDES

- 7th December: Great Missenden to Chiltern Brewery
- 25th January: Tring Brewery – start and finish loop ride
- 15th February: Lovibonds Brewery – also a ‘loop ride’

There’s nothing like an incentive to get you out riding on a cold day, and this winter we’re using the time honoured tradition of Bikes and Beer to do just that. We’ll be organising a number rides throughout the Chilterns based around some of the traditional English breweries in the area, with the added reward of a pint of real ale when you get there.

Rides will be 10-20 miles (with short-cuts and challenges for you to tailor your experience). Soft drinks available. See website for details.
