**THE HIGHEST RATED PANTO IN THE REGION!**

**The venues's highest grossing production.. EVER!**

Just to say I thought you guys were awesome. The most fun I've had in ages. My three year old won't stop talking about. Keep up the good work. Feeling good today....thank you!

Have been wondering whether or not to take the risk and get tickets to Fleets first panto or stick to the same professional venue we've been to for the past few years. ... Went to see the opening night tonight - and pleased to say it was fab! Funny, surreal in places, local, relevant and entertaining. Great night out and bargain compared to some of the bigger theatres!

Helen Tyler

It's awesome. Fleet has excelled itself. Deffo a new Christmas tradition for us. Why go elsewhere for a panto when fleet has it all.

Ros McInnes

Just been to see the Fleet Panto. Even if you don't have kids please go! The adult humor is fantastic!! Went straight over the kids heads, although they still enjoyed it!!

Debbie Hills

I will third that. We've been to lots of pantos over the years and we really enjoyed it this afternoon. It was my daughter's second time watching it, she raved about it the first time. It also captivated my 3 year old son enough to glue him to his seat for the whole performance, a miracle. Looking forward to next years one

Jayne Cole

Be warned, you'll lose your voice and your face will ache from laughing. Best afternoon we've had in ages!!

Ilona Bryan

WOW hats off to The Harlington Panto. It is outstanding. The best panto we have ever seen and we can not wait until next year!!! Well done!!! We loved it!!!

Caroline Ellison

It's Panto Season, yey! We're just back from the Fleet Panto, Dick Whittington, at the Harlington Centre. It was fantastic, very professional, plenty of fun for adults and children. If you're hesitating whether to go or not, don't hesitate, book tickets - it's worth every penny!

Jo Matcham

It was amazing!!!! They did a fantastic job!!!! script was very clever and as you say very upto date ..... We all loved it!

Allie Daden

We saw Dick Whittington panto today and to add our voices to the rave reviews it was absolutely fantastic! Get tickets if you possibly can and take your kids - it's a real festive treat.

Tash Bevan-Stewart

Just watched it. Awesome. Better than last year at Windsor.

Chris Ellison

Have just got back from Dick whittington at the Harlington, what a fab panto! Best one we have seen for years, well done fleet

Alison Selby

OMG the panto was amazing!! The choreography, the songs, the costumes, the acting, and overall the fact that all the actors and actresses looked to be really enjoying themselves was really fantastic to see! I have been to pantos in Richmond and Windsor and I would definitely rate this one above any I have seen before! I don't normally write fb posts like this but felt I had to as it was so good! Well done guys - we will definitely be coming next year!

Rachel Elise Buxton

I know there have been numerous posts singing the praises of the fleet panto but I wanted to add one. I went to the opening night of Dick Whittington in Fleet and today I went to Cinderella at Woking theatre and hand on heart Fleet's Dick Whittington was waaaaaaay better. The price paid for the Woking tickets was extortionate and the content of the production was no where near as funny.

Vikki Paterson

I came out with 8 children and 3 adults buzzing!!!!!! It really is worth going to see! The cast and crew have worked really hard to put this panto together and they did themselves proud! There are some fabulous effects that work so well and you wouldn't expect! such clever timing!!!! ( you'll have to go to see them won't spoil on here) and it all flows so nicely there are comedy moments for young and old! From the dancers to the principles they all worked extremely well as a team and put on a amazing pantomime one of the best I have seen in years!!!!!! Well done cast and crew of dick Whittington
