Thanks to the gift aid scheme, we can reclaim money on your donation from the government. For every pound you give us, we can claim an extra 28p. For example, a donation of £15 becomes £19.23 with gift aid, at no extra cost to you.

giftaid it Yes, I am a UK taxpayer and would like The Sunnybank Trust to treat all donations I have made in the past six years and any future donations from today until I tell you otherwise as gift aid donations. I understand I must have paid an amount of income/capital gains tax equal to the tax reclaimed on my donation in the relevant tax year

What your donation can do

£10 will train a volunteer advocate to understand how to safeguard those who use our services against abuse or discrimination.

£25 will buy a sensory box to enable a volunteer and their friend to better communicate when they spend time together.

£40 will buy a year's supply of craft materials to provide access to regular creative activities which helps reduce stress and improve mental health.

£100 will pay for a Kites Club night, delivering a safe space in which people with a learning disability can socialise, develop new skills, and be confident and supported in going out - because everyone deserves to have fun and make friends!
