For your first two collections after Christmas you can put out up to two extra bags of rubbish for collection. You can also put out as much recycling as you like, please use either clearly labelled or clear plastic bags to present your extra recycling. Glass bottles and jars should be put in the bin, rather than a plastic bag. Please do not place plastic bags within your recycling bin.

If your bin has not been collected, please contact us **by the end of the next working day**.
