Highlights of Let's Do Business Expo 2016

Keynote Speakers

Michelle Mills-Porter is a communications specialist dedicated to empowering people to build brilliant business relationships through sub conscious communication. This incorporates both non-verbal communication (behaviour profiling, body language, eye contact) and non-visual communication (phone calls, e-mails, and the written word) in our marketing and our social media.

Charlie Hutton "A Business Owners Guide To Getting Your Shit Together" See the UKs #1 online lead generation consultant and marketing expert deliver a hurricane of ideas, step-by-step success strategies and honest-to-god "secrets" exclusively to help small business owners get their shit together.

Lt Colonel Richard Jones heads up the Military Employer Engagement Team here in the West Midlands, his talk will show you what the Military in the Midlands can offer your company whether that be the transition of skilled regular soldiers back into civilian jobs or Reservists with access to skills which could be vital to your business.

Speed Networking

Make up to 40 new contacts in just one hour! One of the most cost effective ways to develop your organisation, speed networking sessions are hugely popular and always a sell-out, so early booking is essential, to request your place please email p.wallis@burton-chamber.com
