32 Tealing Drive, Ewell, Surrey, KT19 0JS

Please help

By donating to our appeals

Every penny is appreciated. If each of our annual 319,411 (2015 figures) patients and visitors gave 10p that would bring us £31,942 enough for a specialist ultrasound scanner, which could save countless lives. £1 would bring us £319,411.

By being a business sponsor

Could your business donate money or supply goods and services to us? How about sponsoring one of our fund-raising events? Or booking a table for your staff at one of our dinners?

By supporting our events

We like to put the fun into fund-raising with dinner dances and a variety of other events. Your support is vital. Just by coming along or buying a raffle ticket you will be bringing us a little nearer to our appeal targets. Why not hold a sale or a get-together on our behalf? Or perhaps you could organise or take part in a sponsored event?

By visiting us

At Epsom General Hospital we raise cash by selling gifts and recycled cards at prices from just 30p. Why not drop in and pick up a bargain?

By taking out Gift Aid for the Fund

This is one way of making a donation which enables us to reclaim tax – making your gift even more valuable to us.

So far, so good

Bess & Brian Harding meeting HRH Princess Alexandra

People who have supported our Fund have already helped us raise more than four million pounds. These are just a few examples of the equipment we have bought...

• 2 Nippy Clearway Cough Assistor and carry bags	£7,200
• Verathon Bladder Scanner	£7,600
• Edge Ultrasound System for gynaecology	£26,600
• Durr Vistascan Mini View Scanner	£6,600
• LOGIQ EO BT11 Multi Purpose Ultrasound	£54,500
• Portable FibroScan and M Probe	£29,000
• Wrist Correction (traction) device	£2,400
• NEXUS Pro Urodynamics System -urology	£19,800
• Bucky Diagnostic X-Ray Machine	£71,000

Our work is crucial in making sure Epsom General Hospital is well stocked with the very latest, state-of-the-art medical technology.

“There is no doubt that many lives have been saved thanks to equipment bought by the Fund over many years. I hope people will continue to support the charity’s various activities which benefit the community so much.”

Sir Adrian White, CBE, DL, President, EMEF and former High Sheriff of Surrey

RAISING MONEY FOR YOUR LOCAL HOSPITAL

Supported by

The small charity that does big things

Epsom Medical Equipment Fund is a small, independent charity set up to help buy equipment for Epsom General Hospital.

This equipment could save your relative, friend – or even you

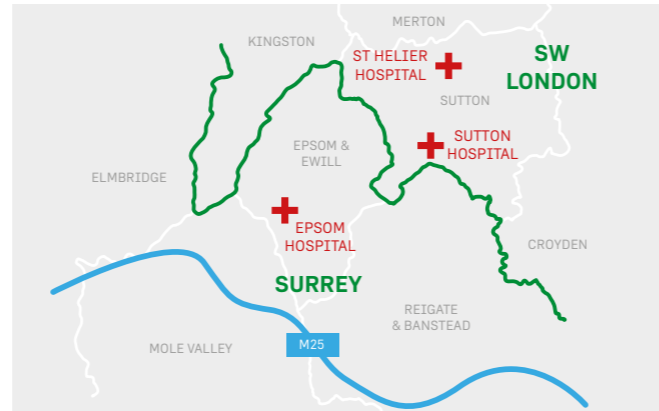

Dr. Julian Eyears, Occupational Health Physician ExxonMobil presenting a Trans-vaginal transducer to Christine Chapman Superintendent Sonographer Radiology Department.

The charity was founded in June 1980 by Bess Harding, MBE. Working with only a tiny band of volunteers, she has achieved incredible results, thanks to the generosity of people and businesses in the area. Some support the fund by making cash or cheque donations, some by attending our events or by buying goods on sale at our room in the hospital.

Vital equipment

We buy vital pieces of medical equipment, such as the very latest in high-tech cancer scanners and endoscopes.

So far we have raised over 4 million pounds

Epsom General Hospital Catchment Area.

Of course, we can never be complacent. Equipment needs to be regularly updated to make sure the hospital keeps pace with the rapid changes in medical technology so we will always need your help.

We need YOU

Our charity depends entirely on your support. Sometimes business kindly donate several thousand pounds. The rest has to be raised one pound at a time. You can make regular donations via our website.

Even a few pence can make all the difference

Darren Hull, Dr. Andrew Gregory, Bess Harding, MBE, Kim Gray, Lee Hull at The Wheatsheaf, Ewell with The Party in the Pub Collection.

We are grateful for all support – 30p for one of our recycled cards, a 50p donation... it all adds up! Some supporters are hospital patients and visitors, others are people living and working in the area. Some make donations in appreciation of the care they have received at the hospital or in memory of a loved one who was treated there.

Epsom Medical Equipment Fund

MAKING A DIFFERENCE

Remember:

Your local hospital, Epsom General Hospital, can always use some additional help. You can help us to provide some of the extra equipment that **does make a difference** to people's lives.

And by making your donation through Gift Aid, our Fund can increase its value by reclaiming 28p in every £ contributed from HMRC.

**Since 1979, with your help,
we have raised over £4 million**
