FLOWING WATER

KRYOS

The crystal paradigm. A pyramidal dithering will convert your bathroom in a place to remember. An interior with nuanced transparencies to transform your lifestyle. An haute couture faucet as an affirmation of your personality and sensitivity.

IKON

Thousand facets of water. A collection that redefines luxury and shake up physics with its impossible geometric lines.

An innovative faucet icon is born, flowing water is now a prism with endless faces.

STARLIGHTS

Crystallized water. Hundreds of shiny particles illuminate your bathroom with the Starlights jewel faucet. Immerse yourself in a universe of shining stars, retained in the handles as crystallized water made with Swarovski Elements.

KLASS

The jewel of the crown. This glamorous mixer combines bright sophisticated details with exquisite sensual design.

A masterpiece meticulously embellished with sparkling Swarovski crystal stones making it a symbol of any luxury bathroom.

LUXURY

A dream comes true. Imagine a mind-blowing bathroom and make it a reality. An exuberant masterpiece decorated with Swarovski crystals accurately studded on the mixer in fascinating floral motifs.

ARTIK

Aurora Borealis reflections. Glamorize your bathroom and enrich it with the charming Artik faucet polar reflections. Go beyond imagination with this chic model of unique and perfect shapes.

ROCK

Brilliant harmony. Rock invites you to combine the asymmetric geometric precision of its shapes with the classical distinction of the crystal handles and the finest functionality. A trio that sounds brilliantly in exclusive bathrooms.

ROCK

The luminous harmony of crystal.

SKIP DIAMOND

A crystal line. Elegant and sophisticated bathroom faucet collection with a touch of bling. Skip Diamond is subtly decorated with a thin two-row of Swarovski crystals, securely fixed to the lever. Its svelte design distinguish itself and outstands from the ordinary.

SKIP DIAMOND

The geometrical glint.

MUSE DIAMOND

The diamond loyalty. Functionality and minimalist elegance converge in this jeweled model providing an exciting theatrical effect to the bathroom. Four different decorations are available for an once-in-a-lifetime faucet of sublime design.

MUSE DIAMOND

A dazzling flash.

SURF DIAMOND

The flash of the waves. Functionality and exquisiteness merged in a bathroom piece created for refined tastes. A crystallized square and curved shapes created to submerge you in a wave of luxury.

CHIK DIAMOND

The minimalistic diva. The flamboyant Swarovski decoration meets the excellence of spherical lines. An exceptional voice of bespoke design that outstands as a soloist in your bathroom stage.
