SetAnotherPlace

Would you like to contribute towards a meal for a refugee at your firm's Christmas party this year?

BRIDGE2 is now working in Camp Veria, Greece with Refugees who have fled from Syria & Iraq. They are surviving on basic army food while they wait in limbo until someone decides where they will go.

Men, women & children are becoming ill through malnourishment because their nutritional needs are not being met. Tiny babies are failing to thrive as the quality of their mother's breast milk is reduced by their poor diet.

BRIDGE2 is working to bridge that gap but we **NEED YOUR HELP.**

As you enjoy your work's **Christmas** meal we want to encourage firms & individuals to '**SetAnotherPlace**' at the table. Imagine there is another person joining you, a friend perhaps. Would you contribute towards THEIR meal, if they couldn't?

- As an employee would you contribute a few pounds towards a meal, while yours is paid for by your employer? **Would you SetAnotherPlace?**
- As an employer would you donate the amount of an extra meal? **Would you SetAnotherPlace?**
- If you pay for your own Christmas meal, would you & your workmates contribute a few pounds towards a meal & **would you SetAnotherPlace?**
- If there isn't a work Christmas meal in your calendar this year, **would you SetAnotherPlace** at home & donate the 'cost' of a meal?

All funds raised will go directly to providing food for the camp refugees through our 'free supermarket' project. We provide Milk, Yoghurt, Fresh Fruit & Vegetables, Honey, Tuna, Olive Oil, Dates, Eggs, Nuts etc - all to add much needed nutrients & vitamins to enable healthy people to flourish.

So can you, will you, SetAnotherPlace this Christmas?

You can donate via PayPal online at www.bridge2.gg or Direct to the Bridge2 HSBC bank account - Bags of Appeal 402225 6396 3497

Thank You ♥
