## 30,000' HALO TANDEM SKYDIVE

### About David

I currently hold two H.A.L.O. Skydiving World Records - as the first Mayor in the World and oldest person in the World, at the age of 80, to tandem skydive from 30,000'.

High Altitude Low Opening - is used by special forces to drop unseen behind enemy lines. It entails free falling at 300mph for over 2 minutes.

I am going to return to the only place in the world licensed to lay it on for civilians - Memphis, Tennessee - all at my own expense.

### Event details

I am raising funds to increase opening nights of Local Youth Clubs.

The Youth Clubs in Redhill, Merstham and Horley provide a safe haven for young people in need but these fantastic facilities are closed 4 to 5 nights a week.

The cost to open one night a week per year, is a mere £6000.

With a two year project, I want to raise the funds so these Youth Clubs can be open more nights a week to enable young people to access the services and support they so desperately need.

Please help the Young People in your Community by donating generously.

To donate to LYFE, support our local youth clubs and view the HALO video, please visit the website: [mydonate.bt.com/fundraisers/davidpowelyfe](http://mydonate.bt.com/fundraisers/davidpowelyfe)

Or make cheques payable to: The David Powell Youth Club Fund and post to: Community Foundation for Surrey, Church House, Godalming, Surrey GU7 1EP
