An Aldridge (Walsall) based company with a significant amount of experience, within its team, having been in the furniture manufacturing and installation industry, since 1987.

A Company born from a desire to produce quality products at an affordable price and a service to meet our customers expectations.

Our made to measure furniture is all made to the highest quality. Our storage solutions have numerous benefits, space saving, contemporary, easy to access.

We manufacture your sliding doors here on-site in the UK and aim to achieve the best quality and lead time to every customer. Customer satisfaction is a prime objective.

With a wide range of frame colours, door colours and glazing options, together with a choice of interior colours, you will be able to create that perfect look you have always dreamed of, whatever the project, we will have something to match.
