1) Sports Clubs 2) Registered Charities 3) Local Organisations
- All the names in each category are now listed on the Exmouth Kite Festival web site www.exmouthrotaryclub.co.uk
- The public can only vote for their choice via the Web Site.
- The voter has only one vote allowed in each of the three categories
- The worthy cause with the top number of votes in each category will then be invited to have a free pitch at the Kite Festival (4th & 5th August). This can be put to good use for raising awareness and extra funds for their needs.
- Voting will start on Tuesday 2nd May and close on Monday 15th July.
- The Winner in each category will automatically receive a percentage of the final profit from the Festival.

Following the success of last year, as each member of the public come to the Festival they will be given a yellow voting token at the gate. This token will then be placed in one of the three ballot slots (1 for each category vote winner). Only these counter votes by the members of the public attending the Kite Festival will determine the ultimate winning places.

 - 25% to the worthy cause with the highest total of Token Votes
 - 20% to the second highest worthy cause of total Token Votes
 - 15% to the third worthy cause with the fewest Token Votes
