WELCOME TO

RECORD STORE DAY

Yo! Welcome to Record Store Day 2018. The LP Cafe is taking over Watford with live music, markets, and exhibitions across 6 venues including an outdoor stage in the centre of town. Start the day with a coffee in the LP Cafe and check out our exclusive RSD18 vinyl releases. Head to the Flag to browse the label market or swing by Watford Museum to see the music exhibition in the day plus punk photographer and acoustic acts. There'll be local bands on the outdoor stage and at the Horns during the day. Live music goes on 'til late at the White Lion and the Flag, with DJ sets in Bodegas until midnight.

Check out the map on pages 6 & 7 to see where it's all happening. Plan your tour of the town using the timetable on pages 8 & 9.

It's been a thrill to see venues and artists come together to make our RSD celebrations the biggest yet, and who knows perhaps it's the start of something bigger?

Lots of Love
