Corporate Events

At Land Rover Experience West Country, we can provide that little something extra that will kick start your meeting, add a lunch time energiser or perhaps an alternative end to your day.

Why not combine your meeting with some off road driving in one of our top of the range vehicles, or alternatively, add activities like Archery, Falconry, Clay Shooting, Segway Riding or Air Pistol Shooting.

Please speak to one of our team so we can tailor a solution to your needs and budget.

Accommodation

Bed & Breakfast is available on-site for small numbers.

For larger groups, we are within close distance of quality hotels in nearby Honiton and surrounding areas, each no-more than 5 minutes of travelling.

Ask a member of our team if you would like to be introduced to one of our preferred local hotels.
