APP NAME: **Pickford Solicitors**

SHORT DESCRIPTION:

Live case updates and more from your law firm.

LONG DESCRIPTION:

With any legal service, you'll want visibility over the case without having to pick up the phone! In a world of mobile devices, we now expect the ability to review progress at a time that is convenient to us. This app has been designed with features that keep you updated by providing live case information. Whether you simply want to check the quote or if you wish to keep track of progress, this is the app for you. You'll be able to clearly see each step in the legal case so you understand the process.

Information is updated whenever a task is completed by us, saving you unnecessary time spent on phone calls and emails. The app will even send you notifications when a task has been updated, to make sure you've always got up to the minute information.

Provide the best experience and exceed expectations with your exciting new mobile App!
