

# FAMILY TICKET & YOUTH ARTS SPONSORSHIP

Help a family enjoy the magic of Christmas at this year's Lichfield Garrick pantomime and other experiences throughout the year.

Since 2017, over 100 families have attended our pantomime thanks to the generosity of local businesses. Without this support, these families would not have enjoyed the much-needed escape and magic of the pantomime at Christmas.

Building on the success of our annual Christmas Sponsored Family Tickets, we would be thrilled if you could support us in offering opportunities for more events all year round.

There are many young people who have experienced trauma, bereavement, illness, or barriers preventing them from accessing cultural experiences. You can ensure we can offer young people tickets to all kinds of live experiences, and the opportunity to participate in our learning activities such as Young Rep, by contributing to our Youth Arts Fund as a sponsor. We work with local charities such as Pathway Project, Action For Children, Lichfield Foodbank and many others to offer this to a wide range of young people.

**Your sponsorship can be of any amount.**

**Here are some examples of the difference you could make:**

**£300**

*A two-hour workshop with a drama practitioner for a school or any other group of young people.*

**£150**

*A visit to panto for a family of four, with programmes and ice creams.*

**£85**

*A funded place for one term of our Young Rep acting or musical companies.*

**£50**

*Two tickets to see any main house show.*

A significant contribution could even provide a young person a creative work placement over several weeks.

All sponsors will be recognised on our website and in our pantomime programme. Sponsors of £150 or more will receive two tickets to our pantomime. All sponsorships are subject to VAT.

We work with a variety of local charities to distribute tickets to the right families.
