

MONTHLY E-NEWSLETTER

Charity No. 1110644

www.childrenwithcancerfund.org.uk

THIS NEW YEAR, HELP CWCF SECURE OUR FUTURE!

Children with Cancer Fund-Polegate has been given the opportunity of a lifetime to purchase the building where our staff currently run the day-to-day business of the charity. Doing so would secure the charities future and reduce our annual costs.

Our office is the focal point of our charity, it is where the day-to-day running of our charity occurs. It is a beacon of hope for the families we support, a bright and comforting place they know they can drop in to if they need support or someone to talk to who understands what they are going through. We feel purchasing the office will have a long-lasting positive impact, significantly reducing our annual core costs and allowing us to allocate more of our future funding towards our beneficiaries as opposed to the operational costs of CWCF. Most importantly, it is our home and the heart of the charity.

Whether it be a donation of £2 or £50, every single donation contributes massively and we cannot thank you enough for supporting us long term, so if you can spare a donation please visit our JustGiving page through our Facebook or visit below: <https://www.justgiving.com/campaign/helpcwcsecuretheirfuture>.

Alternatively, if you are planning a fundraiser of your own for us, why not ask your supporters to donate here and link it to our campaign?

ICE SKATING WITH LIGHTNING FIBRE IN EASTBOURNE

What a better way to spend the Christmas holidays than by Ice Skating followed by some hot chocolate!

Lightning Fibre surprised our families with this festive treat where we all came together to have fun, share the Christmas spirit and some even left having learnt a new skill on the ice.

What did our families say?

"Bertie said best day ever!"

"Thank you it was really fun"

CHRISTMAS DONATIONS FROM ORIFLAME

Christmas came early for CWCF as our families received a surprise visit before Santa himself...

A huge thank you to Pam, Ian and their Oriflame customers for kindly donating toys and pamper items for the families we support. The donations put smiles on the faces of local families affected by childhood cancer at a time they need it most.

We would also like to extend our gratitude to all the individuals and organisations that supported us throughout the festive period whether it be through fundraising or raising awareness for us!

CLUB 200 WINNER

We are excited to announce that this month's winning number is 120 !
