23rd April 2024
Eastbourne Sports Park
9.30am – 3.00pm

Call for Exhibitors

The **BIG Futures Show** returns on Tuesday 23rd April 2024. The show is the largest employability, skills and job seekers event in the area and is aimed at students (aged 14+) from across East Sussex as well as parents and anyone looking for work or training. The show brings employers and educators face to face with tomorrow's workforce at a time when they are making big decisions about their futures.

Student visitors have to decide what to do next in a year or so. They will be looking for jobs that they would like to do and employers that they want to work for. They will be asking about what qualifications they need and how do they achieve them? Do they look for an apprenticeship and/or do they go onto higher education and enter the workplace as a graduate? Older visitors may be looking for more immediate job opportunities.

BFS 2024 provides a unique opportunity for you to exhibit and reach out and contribute to the development of the workforce of the future, to influence its direction and to gain exposure to it. The show is organised by Eastbourne Education Business Partnership in association with Eastbourne Borough Council plus sponsoring partners. Some 80+ organisations are expected to attend and provide both an interactive and inspirational experience for visitors. Students will benefit from additional preparation materials beforehand that support the government's Careers Strategy and Gatsby Benchmarks.

Eastbourne Sports Park is conveniently situated off Cross Levels Way and provides a single 1500m² hall. **BFS 2024** offers a range of sponsorship and exhibitor options to suit individual budgets (conditions will apply).
