

The NEXT STAGE presents

SONGS, SATIRE AND SALSA!

Viva La Tradición

This salsa band is really hot and guaranteed to get your hips swaying. The ten piece band plays Latin music to perfection and will even throw in a free salsa dance lesson to get you in the groove!

SUPPORTED BY

Ellie Walker

Ellie Walker's piano led 'folk pop nuggets' have been captivating listeners both live and on record since 2022. Ellie's soulful and colourful songs are sprinkled with catchy melodies, lustrous harmonies and thoughtful, honest lyrics.

AND

Vince Taylor

Despite years of experience in the music business singer-songwriter Vince "Too Tall" Taylor is still trying to make sense of a confusing world. If you want to hear his views on hand luggage, dead cats, nuisance calls and beach huts then take a listen to his original, quirky blasts of nonsense.
