

**OXFAM**  
Walk  
For  
Water

# OXFAM WALK4WATER

# SATURDAY 14 SEPTEMBER 2024

(Starts Heartwood Forest, Sandridge)

Imagine if you had to walk miles every day in the heat just to get water – and that may be full of bacteria. We, however, get clean water in our homes. Without it you can't cook, drink or wash.

Join the annual Oxfam Walk4Water and help people in the developing world by giving them easy access to clean water whenever it's needed.

With routes from 2.5 to 20 miles there's a walk for everyone, so bring your friends, family, and dogs to join us raising money for Oxfam water projects whilst walking in beautiful local countryside.

Just email: [oxfamstalbens.w4w@gmail.com](mailto:oxfamstalbens.w4w@gmail.com) for more information.

We ask that you donate a minimum of £10 when you register, though we will be delighted if you can give more. You can do this at:

We have a brand-new website so take a look:
