Description/Terms and Conditions

The Balmoral is a soft to medium 1000 pocket-spring mattress that moulds to support the shape of your body. Brimming with natural wools and cottons, the mattress has been loosely secured with traditional hand tufting to provide a luxuriant sleeping surface. The mattress is finished in a stylish white damask fabric, with flag stitched handles on the border to ease the turning process and vents to aid internal airflow. In addition, the mattress has hand side stitching option due to the array of high quality fillings inside. This is a process whereby one of our craftsmen hand stitch all of the fillings to the inside of the mattress to provide a sleeping platform right to the edge, making it more resistant to being sat on and helping it to retain it's shape, in turn making it last longer. Turn regularly to prolong mattress life. Firmness Rating: 2 ½ Mattress Depth: 29cm or 11 ½"
