Description/Terms and Conditions

Choosing your next car is a big decision and wherever you are in your electrification journey, Ford has a vehicle for you.

With a range of Plug-In Hybrids and All-Electric powertrains you can really get to know the New Kuga Plug-In Hybrid, All-Electric Mustang Mach-E or our New All-Electric Explorer.

Book your 48-hour test drive today and start your own adventure.

New All-Electric Explorer All-Electric Ford Explorer offers a seamless blend of power and efficiency. With a bold, dynamic design matched by a spacious, versatile interior equipped with cutting-edge connectivity and comfort features for every adventure and a range of up to 292-374 miles*. See where the adventure can take you.

New Kuga Plug-in Hybrid Loaded with doing power. The New Kuga Plug-in Hybrid with bold new styling, next-level connectivity with a 13.2" touchscreen and intelligent new tech that assists you with low-emission routes without restrictions to get you to the action.

All-Electric Mustang Mach-E The icon. Electrified. Distinctively Mustang® swagger with all-electric performance. Up to 293-372 miles** driving range and Ford BlueCruise, hands off, eyes on advanced driver assistance technology first of its kind in Europe. Don't follow the crowd on your next adventure.
