3 Bargain Hydrangeas **??** Just £9.99 each

Available in store we have 3 Hydrangea varieties from the Petite series, known for their compact habit and long flowering period.

Flowering from early Summer through to late September, flowers start off a lighter white/lime green and gradually darken off to shades of reds, pink and cherry.

Height and spread is 40-70cm making them ideal for a part shade container, pot or front of a mixed border.

These are deciduous, hardy shrubs, so are bare stems at the moment, with flower and leaf buds starting to develop.

Attached stock pictures show flowers in the summer months.

We have just 12 x 2 litre pots of each variety available instore, so don't leave it too long if you would like 1 or 2**??**
