Description/Terms and Conditions

XDEMO BROTHER INNOVIS V5LE Original price was: £3,499.00. Current price is: £2,999.00.

Long arm sewing The extra large long arm (111 1/4", 285 mm) gives you more space than ever. The Innov-is V5 gives a wide expanse of space for those extra-large quilting, and fashion, home décor projects.

LCD touch screen The large, bright, clear, full colour LCD touch screen display offers user-friendly controls to select designs, edit embroidery patterns and adjust stitches. These supportive features make creating projects easy by previewing your designs in the full colour screen where you can also, with the touch of a button, add lettering, rotate, enlarge, reduce and combine easily and quickly.

New exquisite embroidery designs Enjoy creating a range of unique and beautiful new embroidery and sewing projects around your home with designs such as the Classic Japanese, Vintage, Trendy and Zundt™.

Fast and accurate high speed embroidery

Import and export patterns instantly Simply connect to your PC via the USB port, or insert a USB memory stick, to quickly and simply import or export designs. With the optional PE-Design software, you can convert numerous image files into stitch data. (PES).

Large embroidery area The large 180 x 300 mm embroidery area is ideal for creating large elaborate embroidery designs.
