Charge Ahead: EV
Charging Offer

Description/Terms and Conditions

If you are considering getting an electric vehicle soon, already have one or have one on order, why not book in for your FREE grant check to see if there is any money to be saved on your installation along side a no obligation EV charger quotation with our EV site surveys. We will check if you are eligible for any government grants currently available for EV charging point installations for your home or workplace.

Email us via the BestOf Eastbourne enquiry button or email directly at info@tdsluk.co.uk quoting BestOf EV offer.

Please note that this is for Eastbourne residents and business owners only at this time (Includes Polegate, Stone Cross, Hailsham, Pevensey areas).

This requires an engineer to visit the property of where you would like the EV charger to be installed so we can carry out the necessary site survey to provide you an accurate quotation, without a site survey booked in we are unable to provide you an exact cost for your install and eligibility for any grants.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
